

## **President's Message for January 1, 2021**

**Dear MMDCC/Ballroom Dance Dallas Members,**

**Hope you enjoyed Christmas and your Holidays were full of Joy, Happiness and Peace!**

**This has been an exceptionally unusual year as since March we have all been in social isolation due to the virus. However, now there is much hope in combating Covid-19 as there are several drug companies that will have FDA approved vaccines to be distributed in the coming weeks and months.**

**Hopefully, the positive tests and hospitalizations will start to decline and with the help of the vaccines we will be able to get back to some degree of normalcy. Health care workers and long-term care patients will get vaccines first, followed by front line workers, then 65 years of age and older and those with underlying conditions will follow. Our members should be able to get access to the vaccine soon.**

**Our board will be keeping an eye on developing information and government policies on how soon we can hold our next dance in 2021, and we will then schedule events for the rest of the year. I will let you know when we can determine the date for our "Return to Dancing" and the calendar of events for the year.**

**We are still looking for a volunteer for the Newsletter & Publicity Position. Please let the Nominating Committee know if you are interested. We will hold in-person voting at our next dance to confirm the MMDCC/Ballroom Dance Dallas Board for 2021.**

***Please mark your calendars: We will be holding and celebrating our 25<sup>th</sup> Anniversary Dance on September 25, 2021 - 4<sup>th</sup> Saturday!***

**May you have a Healthy, Prosperous, Happy New Year Dancing!  
Tommy Quon, President                      MMDCC/Ballroom Dance Dallas**
